ABOUT OBHIZATRIK FOUNDATION

OBHIZATRIK Foundation is a government registered non-profit organization based in Bangladesh. The foundation actively works with the Youth of the country, to eliminate poverty, ensure education, health and nutrition to the underprivileged people of Bangladesh and overcome the various socio-economic challenges that Bangladesh faces. Our works include: empowering the marginalised poor financially, providing free education to the underprivileged children, emergency health care services and helping out people with relief when necessary. We strive to work for the underprivileged of our country. We try to empower these people so that they can be financially self-sufficient and eventually eradicate mass poverty from Bangladesh.

OBHIZATRIK Foundation is a passionate and strong team of over 3500 volunteers from across Bangladesh. We are indebted to our beloved volunteers who are the first to actively participate in any campaigns we organize. Our endeavours wouldn't have been possible without the constant support of our donors, sponsors and corporate donors. Their engagement with us inspires us to move forward and think in an innovate manner. Our diligence is fueled by their kind support.

SHOKKHOM is an established sustainable livelihood project which empowers the destitute population by providing them business model setups so that they can be entrepreneurs and earn their own living instead of having to ask others for help. Under **4 major categories**, Transportation, Livestock business, Agro-based business and small enterprise, SHOKKHOM has **23 different types** of business models to provide to the applicants. Candidates are selected after passing through 3 stages of verification.

Since its inaugural in 2016, SHOKKHOM has reached a milestone of **800 beneficiaries** and over **450 donors** facilitating the projects.

FULL FREE
EDUCATION WITH ACCESSORIES & FOOD SUPPORT

OBHIZATRIK School began in 2013 with a view to providing education to the underprivileged children in Bangladesh for free. Under this project, we are aiming to fulfill SDG 4, by educating this children who are unable to afford normal education. The project aims to educate its underprivileged students with basic education so that in the long run they can escape the grasp of poverty and establish themselves as educated and financially solvent citizens of Bangladesh.

OBHIZATRIK School now has 3 separate campuses located in Mirpur and Rayerbazar in Dhaka and Latarchar in Patuakhali.

Our students are facilitated by the valuable donations of many contributors and sponsors who donate for this noble cause we are pursuing to achieve.

FACILITIES OUR STUDENTS RECEIVE

ACADEMIC BOOKS

Academic and NCTB released text-books are provided to our students every year.

STATIONERIES

Along with books, all kinds of stationeries needed for reading and writing are also given to our students. Equipments and studying materials are provided by the donations of our contributors.

FOOD AND MEALS

Students are provided nutritious food, and weekly lunches to facilitate health and wellness

FOOD HANGAR PROJECT

SERVING **16000 PEOPLE** EVERY MONTH

OBHIZATRIK Foundation collaborated with Amar Daraz to establish the Food Hangar project which aims to serve anyone in need with a bread bun, biscuit, banana and a cup of tea. Currently 30 shops are active in 30 different locations across Dhaka city under this project.

Within next month we are targeting to reach more people by expanding this project in 100 new locations by engaging 70 more new shops under this project.

We are also strategizing to add more food items in order to serve more people from with different preference.

Active in the southernmost regions of Patuakhali, the BOAT AMBULANCE serves the patients with medical aid and transportation service to hospitals.

During the COVID-19 pandemic, the boat ambulance transported over 200 Corona infected patients of the coastal regions of Patuakhali to the nearest hospital. Our special volunteer team engaged in performing the burial ritual of COVID victims, completed the burial procedure of more than 100 COVID victims.

OBHIZATRIK's volunteer doctors and healthcare officials provide their advice and consultation in the rural areas of Bangladesh, where people can hardly avail medical services.
