ABOUT OBHIZATRIK

Established in 2010, OBHIZATRIK is a government-registered non-profit organization, in Bangladesh & Portugal, dedicated to serving the underprivileged. Focused on youth empowerment, OBHIZATRIK actively work to eliminate poverty, ensure access to education, healthcare, and nutrition, and overcome socio-economic challenges. Our initiatives include empowering marginalized communities financially, providing free education to underprivileged children, offering emergency healthcare services, and extending relief assistance when needed. Our ultimate goal is to empower the underprivileged, fostering self-sufficiency, and eradicating poverty and illiteracy .

Bangladesh Registration: NGOAB-3301, RJSC-12013

International Registration: NIPC- 517934175

MISSION

To actively contribute to the betterment of underprivileged communities. Since our establishment in 2010, we have dedicated ourselves to addressing key issues such as poverty elimination, education, health and nutrition, human rights, and environmental sustainability. We strive to create a positive impact by fostering a platform for the youth to realize their ideas and contribute to building a more beautiful and socially stable society.

VISION

To envision a world where every individual, regardless of their background, has equal access to opportunities for growth and development. We aspire to create a society where poverty is eliminated, education is accessible to all, healthcare is a fundamental right, human rights are protected and the environment is sustained for future generations.

OBHIZATRIK maintains an operational presence in Portugal and Australia, in addition to our established headquarters in Bangladesh.

Our longstanding commitment to global humanitarian efforts is reflected in our continuous engagement across these regions, where we have been actively involved in various initiatives over time. Through enduring partnerships and persistent dedication, we remain steadfast in our mission to serve humanity with compassion and integrity, contributing to a better and more resilient world for all.

CORE PROGRAMS

EDUCATION

Our mission is to offer quality education to marginalized communities, empowering individuals and driving enduring community development through enhanced educational access.

LIVELIHOOD

Empowering communities to achieve economic self-sufficiency and resilience. Through skill-building workshops, access to microfinance, and support for small-scale enterprises, the program equips individuals with the tools and resources needed to secure sustainable livelihoods.

NUTRITION & HEALTH

Addressing malnutrition and fostering healthy eating habits among vulnerable communities. Through educational workshops, access to nutritious food sources, and promoting locally available resources, the program aims to improve overall health and well-being sustainably.

COMMUNITY DEVELOPMENT

Empowering underserved communities through infrastructure projects, capacity-building initiatives and social empowerment programs. By fostering collaboration and providing resources, we cultivate self-reliance and resilience within communities, leading to sustainable growth and positive change.

DISASTER PREPAREDNESS, RESPONSE, AND RECOVERY (DPRR)

Providing timely and effective relief aid during emergencies and crises worldwide. Our mission is to alleviate suffering and support communities in times of need, with a focus on delivering essential services and resources to those affected by disasters, conflicts and other emergencies.

EDUCATION PROGRAM

OBHIZATRIK recognizes the transformative power of education in breaking the cycle of poverty and empowering communities. Through its dedicated Education Program, we are committed to provide quality educational opportunities to underserved populations, particularly children and youth. Obhizatrik not only equips individuals with the knowledge and skills they need to succeed but also fosters long-term sustainable development within communities. Obhizatrik aims to create a brighter future for all, where every individual has the chance to reach their full potential and contribute positively to society.

LIVELIHOOD PROGRAM

With the aim of empowering the most economically disadvantaged members of our society, OBHIZATRIK initiated the Sustainable Livelihood project. Beginning on a modest scale in 2016 with just a few families, the project quickly demonstrated its effectiveness, enabling beneficiaries to achieve financial stability within a short period. Over the course of nearly eight years, the project has expanded its reach significantly, impacting numerous individuals across multiple districts in Bangladesh. Through its comprehensive approach, Livelihood offers fully developed business models, aiming to combat poverty effectively.

NUTRITION & HEALTH PROGRAM

OBHIZATRIK recognizes the critical importance of nutrition in ensuring the well-being of communities, particularly in vulnerable populations. Through its dedicated nutrition program, the organization implements a range of initiatives aimed at addressing malnutrition, promoting healthy eating habits and improving access to nutritious food. By prioritizing nutrition as a key component of its humanitarian efforts, Obhizatrik aims to safeguard the health and vitality of individuals, particularly in regions affected by food insecurity and malnutrition, ultimately contributing to improved health outcomes and overall quality of life.

received healthy produce

COMMUNITY DEVELOPMENT

OBHIZATRIK places community development at the forefront of its humanitarian endeavours, recognizing it as a pivotal aspect of its mission to serve humanity. Through a diverse array of programs and initiatives meticulously tailored to local contexts, the organization endeavours to empower communities, cultivate sustainable growth, and elevate the well-being of all individuals within them. By fostering collaboration, providing essential resources, and promoting self-reliance, we strive to create environments where communities thrive, ensuring enduring positive impact and lasting transformation.

Rehabilitation program for 1000 families

Empowered 40 rural communities by providing sustainable solar-powered electric facilities

WASH Facilities for 5000 families

Renovation & development of the existing child training and rehabilitation center for 100 children

Built over 500 toilets in rural villages of Bangladesh

DISASTER PREPAREDNESS, RESPONSE & RECOVERY (DPRR)

OBHIZATRIK proactively offers immediate aid to communities affected by natural and man-made disasters. Swift distribution of essential supplies, provision of medical assistance, and facilitation of shelter are key priorities. Rapid response teams carefully assess needs and coordinate relief efforts to ensure timely support for the most vulnerable. In times of calamity, OBHIZATRIK stands at the forefront, committed to prevailing and protecting those in need. Through prioritizing prompt action and collaboration, OBHIZATRIK endeavors to alleviate suffering and nurture resilience in crisis-affected areas.

Emergency support for 2000 families who lost everything during the devastating earthquake in Turkey

Supported more than 1 million families after natural disasters hit the coastal areas of Bangladesh.

Nutrition and health support for the 1000 Rohingya women and children

5 tons of emergency aid has been given to the Nepal Embassy of Bangladesh during the earthquake in Nepal 2015

PARTNER WITH US

By making personal donations, you can actively contribute to supporting Obhizatrik's mission, thus becoming an essential partner in our collective efforts.

Personal Donation

Become a Volunteer

Engaging directly through volunteerism allows you to contribute your time and skills in furthering our mission. Your active involvement supports our cause and helps make a positive impact on communities in need.

Collaborating through grant support makes you a crucial partner in advancing our mission. Your grant facilitates OBHIZATRIK's expansion of humanitarian aid efforts, extending assistance to a wide community.

Grants Support

In Kind Donation

Collaborating through in-kind support enables you to directly contribute goods or services, rather than monetary contributions, toward improving the world. This partnership empowers you to play a tangible role in advancing humanitarian efforts and making a positive impact on communities in need.

Collaborating through advisory support enables you to offer expertise and guidance in decision-making and strategy development. Your insights and recommendations contribute significantly to enhancing the organization's mission and expanding its impact on underprivileged societies.
