My Story

My Story

Assalamuvalaikum,

My name is Fahim. I am a student of class 3 at OBHIZATRIK school, Charlata Branch. My father is a day laborer and my mother is a housewife. I like to eat fish. That's why when my father gets extra money from his work he brings fish for me. I also like egg curry and my mother made it for me. I go to school daily to meet with my friends. I have many friends at my school. I play Bouchi (a local game) with them. Also, my school teachers are very supportive and friendly. I learn many different things daily from there.

I want to study hard so that I can become a successful businessmen in the future so that I can financially support my family. But because of my unstable financial problem, it was quite challenging for my family to support my studies. That's why your support can help me to complete my dream.

Thank You.
