### My Story

#### My Story

Assalamuvalaikum,

My name is Hafsa Akter. I am a student of class 3 at OBHIZATRIK school, Charlata Branch. My father's name is farmer and my mother is a housewife. My favorite fruit is mango. I love it very much. At the beginning of my day I start my day with a boiled egg. My parents told me it gives me proper nutrition and energy to my body. Also my favorite dish item is fish curry. But due to my financial condition my father could not buy fish daily for me. I have many friends at my school with whom I play golti. Also my teachers are very supportive and friendly with me.

I want to become a nurse. But my family's financial condition was not good enough. So my father could not pay for my education properly. That's why your support of me can help me to fulfill my dream.  
Thank You.
