My Story

My Story

Assalamuwallaikum,

I am keya moni. I am student of class 2 at OBHIZATRIK school, Charlata Branch. My father's name is a Day labor and my mother is a housewife. My favorite fruit is mango and my favorite dish item is chicken items. I love chicken very much. But due to my financial condition my father could not buy me those things for me. I have many friends at my school with them I daily play Kanamachi. My teachers are very supportive and friendly with me.

I want study hard and want to become a doctor in the future to support my family. But for my unstable financial problem it was quite challenging for my family to support my study. That's why your support upon me can help me to fulfill my dream.

Thank You.
