My Story

My Story

Assalamuwalikum,

My name is Mst Sadia Akter . I am student of class 2 at OBHIZATRIK school, Charlata Branch. My father is farmer and my mother is a housewife. I love to go to my school every day. I have many friends at my school. My teacher is also very friendly with me. Every day at my breakfast I start my journey with boiled egg. My mother told me it will help me to become strong. Also, my father always told me to eat small fishes to protect my eyes. My favorite fruit is mango. I loved it very much.

I love to play volleyball. At my school I play it with my friends. My teacher taught me how to play it. I want to become a doctor in future. But it is so difficult for my parents to take care of my educational expenses. So, your support can provide me with a better future. I sought your humble support.

Thank you.
