### My Story

#### My Story

Assalamuwallaikum,

My name is Sifat . I am student of class 2 at OBHIZATRIK school, Charlata Branch. My father is a day labor and my mother is a housewife. I daily go to school because I can learn new things from there. I have many friends in my school. I love to play volleyball with my friends at school. My teacher loves me a lot because I am obedient student. I don't like to eat egg daily but my mother always forces me to eat it. But I love to eat papaya a lot. I have a papaya tree at my house.

When I grow up, I want to become a pathologist. But its education cost is very high for my family and my father is not financially stable enough. So, your support can help me to fulfil my dream and a better future. I sought your humble support.

Thank you.
