### My Story

#### My Story

Assalamu Alaikum,

My name is Md Tawhid. I am reading in class 1 at OBHIZATRIK School, Mirpur branch. my favourite colour is purple and my favourite food is chicken. I love going to school because I can get to meet my teachers and my friends. My teachers are always teaching us new things, it's wonderful to learn about new things.

I want to continue my studies and become successful in life. But it is so difficult for my parents to take care of educational expenses. Your support can provide me with a better future. I sought your humble support.

Thank You.
